SPARKS START FIRES!

What a great week we just experienced here at Forrest Park! It was probably the most intensive time of study and devotion I have experienced in a congregational setting. I hope you who took advantage of it are deeply impacted by what you experienced. There were so many things that should have provided a **SPARK** to our spiritual lives. I'll start with the lessons preached by some of the best preachers in the brotherhood. As we studied the book of Judges, time after time I walked away inspired and challenged, by the text. I think my favorite lesson was, "From Gilgal to Bochim." If you don't know what that means, neither did I when the lesson started; but it is fundamental to understanding the nature of God's relationship with man.

So many people worked tirelessly preparing food, running AV equipment, teaching children's classes, cleaning bathrooms, and whatever else needed to be done. When others are working like that, you can not help but get to work, too! There were those who opened their homes to brothers and sisters from all over the country...displaying true Biblical Hospitality. Throughout the week I consistently saw individuals who had taken days off of work to be present and others who were trying to juggle their work from the back pews. Some of our shut-ins watched almost every lesson via the Livestream. Even when they could not be here, they went out of their way to be fed spiritually. I'm sure you could add to the list!

All of these **SPARKS** of inspiration come together to start a fire. It was a great week, but the true impact will be seen as we move forward as better students of God's Word, servants in His Kingdom, and disciples of the Master. May the **LIGHT FROM THAT FIRE** shine brightly into a world of darkness.

~WESTLEY HAZEL~
