**ANSWERS**

Have you ever been in a situation with your health or know of a friend or family member who has health issues today? What is our normal reaction to it? Don't we start asking questions and looking for answers? We go to the internet and start typing in symptoms of the issues, or we go to our physician and ask questions. Then, we start having tests done. What about the time that elapses when we are waiting on those results? We are back on the internet to determine what our next steps should be or what our physician's diagnosis will be. We have all been there or will be there in the future.

What about our Spiritual health? Are we looking for answers to our Spiritual future? Are we in the word of God trying to diagnosis our symptoms and figuring out what the final results will be? In Matthew 7:7-8, Jesus says ...

**"KEEP ON ASKING, AND YOU WILL RECEIVE WHAT YOU ASK FOR. KEEP ON SEEKING, AND YOU WILL FIND. KEEP ON KNOCKING, AND THE DOOR WILL BE OPENED TO YOU. FOR EVERYONE WHO ASKS, RECEIVES. EVERYONE WHO SEEKS, FINDS. AND TO EVERYONE WHO KNOCKS, THE DOOR WILL BE OPENED."**

**~Ronnie West~**

**God blesses those who patiently endure testing and temptation. Afterward they will receive the crown of life that God has promised to those who love him.**
