**Barnabas Among Us**

One of the highlights of my year is working through the names submitted for the Barnabas Award that will be given at the *Teacher Appreciation Banquet*. The names are so varied. Some names are expected, and some are a pleasant surprise. Each name submitted represents an impact that has been made by one person in the life of others. You could probably say that there is a story behind each nominee. There are stories about things that person has said, things that person has done, or just inspiration that was provided. We are blessed to have a congregation full of "Barnabases" who encourage and serve others. Enjoy the list and spend some time thinking about their stories. I hope you are planning to join us at the banquet on Sat., January 20<sup>th</sup>.
